

**Grant Application Questions:**

1. Provide a 1-2 sentence summary of your project.
2. In what city and state do you reside?
3. Artist biographies: Please tell us briefly about yourself including your experience in music, jazz specifically, and your musical achievements along with any recordings you may have made. Please include at least one short personal biography, and up to two more for others that will be included in the project.
4. Please summarize your project. What type of music would you like to record? Will this be a solo or ensemble project? Is this a project of standards or original compositions? Why do you want to make this recording? What makes your project special or significant?
5. Are you applying to fund a project that has already been recorded? If yes, please explain why you are applying for the grant? If no, write N/A
6. What is your plan to execute the recording? Provide a specific timeline with dates including a target completion date. Where will you record?
7. How do you plan to use the recording to promote and market yourself? What strategies will you employ to identify, engage, and develop new and existing audiences?
8. Please include samples of your work, past promotional collateral, awards, or any other information that demonstrates your ability to produce a professional recording.
9. Please provide any needed explanations of your budget that you could not include on the form here or submit a more detailed budget as an attachment. **Please note that Pathways To Jazz does not fund food, travel, equipment or transportation.**
10. If you do not receive the funding amount you have requested, how will this affect your project and how will you proceed? Do you have any other sources of funding that you have not identified in the form?
11. (Optional) How would receiving an increased award above the \$5K cap affect your project?
12. Budget
