

WELCOME TO wonder wonder

Welcome to an ever-evolving home of imagination and exploration. Weave your way through rooms of art installations, light displays, and technological contraptions. Awe-inspiring, mystifying, disorienting, and beautiful, Wonder Wonder seeks to open your eyes to something you've never seen or experienced before. Inspired by art, light, technology, and the senses, our rooms will invite curiosity and engage viewers of all ages and backgrounds.

The installations are rotated monthly as we explore new directions with an ever-changing cast of artists. Feedback is welcomed and helps set the direction of future environments and experiences.
